

WLR Fall Festival 2013

Community Pool

This year we have a lot in store for the WLR Fall Festival based on all of the great feedback from the community. The details of the festival are the following and we need your help to make it a success. Please consider volunteering for one of the following events listed below.

BBQ Cook off: It is time to get your best rubs out and get a team together. There are three main categories to the cook off: chicken, rib, brisket. Cook one or cook them all. We will have a space blocked off for those who would like to bring their smokers / grills to the pool and cook their hearts out. If you prefer a slow cook method, just cook away at home and bring it for a little judging.

Pot Luck Side Dishes: If you have a favorite fall side dish that you would like to share, bring it out to the festival. We're sure it will go great with the award winning BBQ we will be judging.

Dessert Walk: Time to get your best dessert recipes (cookies, pies, cakes, brownies, anything sweet) out and bring them to the festival. We will do a dessert walk so that neighbors can get a chance to take home your award winning recipes.

Pumpkin carving contest: Need something to do Saturday night? It's time to get out your pumpkin carving set. Bring your carved pumpkin to the festival to be judged.

Activities for all Ages: We are setting up different activity stages from ring around the pumpkin, sack races, and a bounce house, there will be a little something for all.

"Trunk or Treat": Time to dress of the kids (and parents and puppies!) to test drive their Halloween costumes.

Trunk or treat is where you line up a bunch of golf carts and pass out Halloween candy. It's a way for the kids to trick or treat without going door to door.

We are looking forward to the event and bringing to life everyone's great ideas.

Happy Fall Everyone -- See you there!
